## TEAM SELECTION

All players that attend team selections for the Club will be placed in a team relevant to their age group.

The selectors at the team selections will ideally consist of a panel of selectors (ideally a 3-member panel where at least 1 has a general knowledge of the players) who will organise teams to be put on the court.

There will be a Team Selection Manager for each age group/division. This person will be the contact point throughout the selection process.

Contact details for Team Selection Managers will be included in the paperwork to be emailed prior to selections.

Selectors will have access to the names of a player's previous coach should they wish to discuss a player.

Players are required to attend all selection sessions. Selections in teams will be based on the results of the selection process.

Failure to attend all selections may impact on the level and team at which that player is selected.

If a player is unable to attend all selections the player will be placed in a team based on advise/feedback from their coach in the previous year. In the case of injury, the length of rehabilitation will be considered.

A new player to the Club is expected to attend all selections. As a minimum, the player must attend at least one selection. If the player is unable to attend more than one session, the player/parent is to provide details of playing experience to the Team Selection Manager.

Team selections will be based on performance at the selection sessions.

Selectors aim to ensure teams are balanced and players are selected at an appropriate ability level.

The Club reserves the right to call additional selections (if the need arises) for a group of nominated players should further assessment be required.

The club typically fields a number of teams in different age groups/divisions in the SAUCNA competition. Each age group/division has different needs in terms of netball development. Accordingly, the approach to the team selection process may differ depending upon the age group/division. Direction will be provided by the Committee on an annual basis.

**Selectors decisions and team placements are final.**

The Club will welcome any feedback in relation to Team Selections Process (not player placement) via the Club Secretary within 7 days of final Team Selection day.

The Club reserves the right to review the selection of any player.

**FILLING AGE GROUPS FOR TEAM SELECTION**

1. All Grange Uniting Netball Club girls who have registered and played the previous full winter season.

**ORDER OF PRIORITY FOR WAITLIST**

Team numbers will be filled in the following order:

1. Siblings of registered players – must be noted on Registration of Interest Form.
2. Players returning after absence from 1 (one) full winter season (but not as a result of cancellation of membership).
3. Player selected at the discretion of the committee.
4. Waitlist – by order of the date received by the Registrar.
5. Any other interested players.

**PRE TEAM SELECTION**

Players/Parents must register prior to the registration closing date. Full fees must be paid prior to the final payment date.

Failure to submit registration prior to the closing date and failure to pay full fees by the nominated final date will preclude a player from attending Team Selection.

All Junior players (up to and including U17) will attend selections prior to the winter season. Should a team be the only team entering an age division, all players must attend a session of some description prior to the team being finalised.

For Open Team placements, where ever possible, players must be sourced from within the Club first, prior to seeking players from outside the Club.

Where possible, team numbers will be capped at 9 players per team. It will be at the Club discretion to increase/decrease the number of players per team as required.

**Ratified: 3 May 2016**

**Review: Annual**

## SUBMISSION OF TEAM

Each team must have a coach. The Club will endeavor to assist in sourcing coaches for all teams. A coach should ideally be sourced from within the team (parent, friend, sibling, guardian etc). Should a team be unable to appoint a coach the Club reserves the right to withdraw that team from the competition prior to the first game.

In this instance, full fees will be refunded.

**Ratified: 3 May 2016**

**Review: Annual**

## POLICE CERTIFICATION

All coaches and team managers of Junior teams (up to and including U17), will be required to submit a current Police Certificate.

**Ratified: 3 May 2016**

**Review: Annual**

## PLAYER MOVEMENT

If in any week a team is short on players, vacancies in the team should be filled in the order below:

1. Player to be sourced from the team below (unless in the same Division) within the same age group, as long as the team below is then not left short on players (e.g. less than 7 players). Where possible player provided from the team below is to be decided based on negotiations between coaches.

If either coach considers that this is not appropriate for the coming game, please discuss with the coaching coordinator.

Please also note the following:

Players filling in to a higher division team may only play a maximum of 4 games for that team. Should a player fill in for 5 games for the same team, they are to remain in that higher team for the duration of the season (as per SAUCNA rules and regulations).

No player shall play in any finals match in more than one grade, on the same day, without SAUCNA Committee permission.

2. From the Clubs Waiting List

Please contact the Club's Registrar as to players that are the appropriate age on the waiting list. If a player is considered appropriate, please contact the player and organise to complete a Registration Form for the player (available from the Club secretary). The completed Registration Form needs to be completed and submitted with the scorecard to the Score Registrar. The Score Registrar will arrange for Club officials to sign the Registration Form.

3. Locate a player from outside of the Club

Please organise to complete a Registration Form for the fill-in player (available from the Club secretary).

The completed Registration Form needs to be submitted with the scorecard to the Score Registrar.

The Score Registrar will arrange for Club officials to sign the Registration Form.

Note: If a player plays more than 5 games for the Club, one third of full registration fees will be payable. Eg once played 5 games, payment to occur before the 6<sup>th</sup> game.

**Grange Uniting Netball Club**  
**Est. 1954**

If any of the above guidelines are not considered feasible to fill either a short or long term vacancy, the matter will then need to be raised through the Executive Committee.

Any player filling in for another team is required to play a minimum of two quarters, subject to injury, illness or any other unforeseeable circumstance.

**Ratified: 19 June 2017**

**Review: Annual**

## PAYMENT OF FEES

All players must complete full payment of Club fees prior to the final payment date. Members experiencing financial hardship must contact the Club Treasurer prior to the nominated final payment date of fees. In hardship cases, minimum payment will be required for insurance purposes before the first game.

Should a player enter a team mid-season part fees will be payable and determined by the committee.

**Ratified: 3 May 2016**

**Review: Annual**

## REFUND OF FEES

Players requesting a refund of fees due to illness, injury or any other reason, will be assessed by the Committee. Any refund will be at the discretion of the Committee.

**Ratified: 3 May 2016**

**Review: Annual**

## GAME TIME

Over the course of the season players will play a minimum of three quarters of the games they attend for their own team. (eg attend 8 games = 24 quarters, attend 14 games = 42 quarters). This is subject to injury, illness or any other unforeseeable circumstance.

This excludes instances where the player fills in for another team.

During the Finals Round, all players in that team attending the game will play a minimum of two quarters. This is subject to injury, illness or any other unforeseeable circumstance.

**Ratified: 15 March 2016**

**Review: Annual**

## TRAINING

Players are expected to attend all training sessions with their selected team. When a commitment is made to the Club, this includes training on stipulated nights. If a player is unable to attend a training session, they must notify the coach.

Injured players should still attend training where possible.

Players who regularly miss training without an acceptable reason may be liable to disciplinary action.

**Ratified: 3 May 2016**

**Review: Annual**

## DISCIPLINARY ACTION

Whilst players are expected to be co-operative at all times, disciplinary action is sometimes necessary. This may occur when a player:

1. Refuses to abide by a Coach's decision.
2. Shows poor or unacceptable behaviour and is generally uncooperative.
3. Is repeatedly late for training and matches.
4. Fails to attend training on numerous occasions.
5. Fails to notify the coach as to non-attendance at trainings or matches.
6. Breaches the Code of Conduct (both Grange Uniting Netball Club Code of Conduct and/or SAUCNA Code of Conduct).
7. Any other behaviour deemed inappropriate by the committee which may bring the Club into disrepute.

Disciplinary game day action may include:

1. Removal from court
2. Omission from the starting team for the next match.

Disciplinary game day action will be determined by the coach.

Coaches will usually warn a player when her behaviour is seen to be inappropriate or not befitting of a Grange Netball Club member, but in some circumstances, action may be taken without warning if the behaviour is seen to warrant this.

Coaches will refer all disciplinary matters to the Committee.

Should any player bring the Grange Uniting Netball Club into disrepute and/or unacceptable behaviour continues the following process will occur:

- Player and parent/guardian to have a meeting with an Executive Committee member and Coach (if player under the age of 18).
- Player to have a meeting with an Executive Committee member and coach (if player 18 and over).
- Formal notification in writing to be given at the meeting.
- Formal notification in writing along with agreed actions to be signed by both the Club representative, player and guardian (if under the age of 18yo).

- Should a further breach occur, a player may be subject to a penalty. Penalties administered may include: suspension from playing (including but not limited to, minor round and finals games), cancellation of membership from the Club. Penalties will be determined by the Committee.

Should a player's membership be cancelled, the player is not given the right of return for any following netball seasons. Should a player request a return to play for the Grange Uniting Netball Club after cancellation, a return to play will be at the discretion of the Committee.

### PARENT/SPECTATOR BEHAVIOUR

The Grange Uniting Netball Club will not support any parent/spectator who displays unacceptable behaviour.

Should any parent/spectator's behaviour result in a complaint from the opposition team and/or SAUCNA, the parent/spectator may be required to attend any SAUCNA hearing and will be responsible for any penalty issued by SAUCNA (eg a payment of fine).

Should a fine be issued and the offender subsequently does not pay the fine by the due date, the Club may cancel the membership of the player/s directly linked with the offender.

**Ratified: 3 May 2016**

**Review: Annual**

### DONATIONS

Any past or present Grange player selected to play in a State or National representative netball team to be provided with \$100 donation regardless of location of event.

Any Grange representative team participating in a National Netball competition to be provided with \$100 donation regardless of location of event.

Any past or present Grange player may only request one of the above donations, not both, in one calendar year.
